Addington, Christchurch

Working with Nathan has been a pleasurable experience his personable manner and great sense of humour made the process of selling my properties both enjoyable and stress free.

Nathan listed and marketed two properties of mine down Whiteleigh Avenue his work ethic was exemplary and I was very pleased with his marketing campaign. After a short 29 days on the market Nathan had brought me multi offers on both of the properties and sold both for an exceptional price. Nathan also assisted me in my search for a new place to live and found me my dream home in record time. I would not hesitate to recommend Nathans services to others looking to buy or sell, from my experience I only have good things to say. If you would like to ask me any further questions regarding Nathan's work please call me and I would be happy to discuss with you.

Dear Nathan,

We would like to thank Nathan for the professional manner in which he went about listing and marketing our property in Riccarton. Nathan worked diligently and tirelessly and kept us well informed throughout the entire period. Nathan was efficient at following up prospective buyers after the open days which ensured that the genuine buyers were represented at the auction. Nathan was thorough in all that he did and went the extra mile to ensure the successful sale of our property at auction.

We would strongly recommend Nathan to any future clients thinking of selling or buying property and would like to wish him all the best for the future. If you would like to talk to us about our experience of working with Nathan please feel free to get in touch.

Nathan has represented us in the selling of our home during the very difficult time of the February earthquakes.

The things that impressed me with Nathan were his dedication to the job, his willingness to do what was needed, and his ability to listen to our needs and act on our behalf. Because of the difficulties of trying to sell a house during this time, all of these qualities really came to the fore.

Nathan's sense of humour helped to make the selling experience a positive one and we found that we could be totally up front with him at all times.

I would recommend Nathan to you as an agent that will work as hard as he can for you and look to get the best deal possible.

Yours sincerely

To Whom It May Concern!

From the outset Nathan was impressive. Extremely focused and confident with what he would achieve for us. Regular, reliable feedback regarding results of open days and changing attitudes in the real estate market was regularly relayed to us.

Nathan is young and energetic and has natural skills required in negotiating with the buyer and seller in order to achieve a satisfactory result for all parties. He sets a high standard for himself and pays particular attention to detail. We were very pleased with what Nathan achieved for us and I am absolutely certain he will continue to do the same for many others in the future.

In our opinion he is a wonderful asset for Harcourts.
